

Covid Grant Support for 2020-21 programmes: Application Form

Up to £500 is available, paid by BACS, to each CA branch upon completion of this form. Please state how you propose to use the grant: we only need an indication of the amount requested (no supporting documentation or receipts are needed) but there is space if you want to add any extra details. The following list of options reflects survey feedback about where branches most need support but please do specify other costs as required. Please send the completed form to the CA's Branches Officer, [Katrina Kelly](#).

This offer is supplementary to grants for outreach initiatives etc. which can be applied for via the General Application Form. The CA can also consider additional fully costed one-off bids, for example, for creating a website - please contact [Jane Fortuna](#) to apply.
